VOLUME 47

PRESENTED BY
THE CLASS OF
1962

KINGSTON HIGH SCHOOL
KINGSTON, NEW YORK

FOREWORD

In these days of rapidity and change, we, the class of 1962, realize that many of us will spend our future lives in every corner of the globe. With this in mind, we hope that this 1962 MAROON will, both then and now, serve as a course of enjoyable memories; memories of our friends and classmates, of our instructors and activities, and indeed of all those things which have comprised our four years at K.H.S. High school alone, however, has not been the sole source of the memories of the past four years. Our lives have been greatly affected by the city in which we live. For this reason we have chosen as the theme of the 1962 MAROON . . . "Our Town"

... Because you have understood our point
of view,

... Because you have given so generously of
your time,

... Because you have cared enough to
make us care,

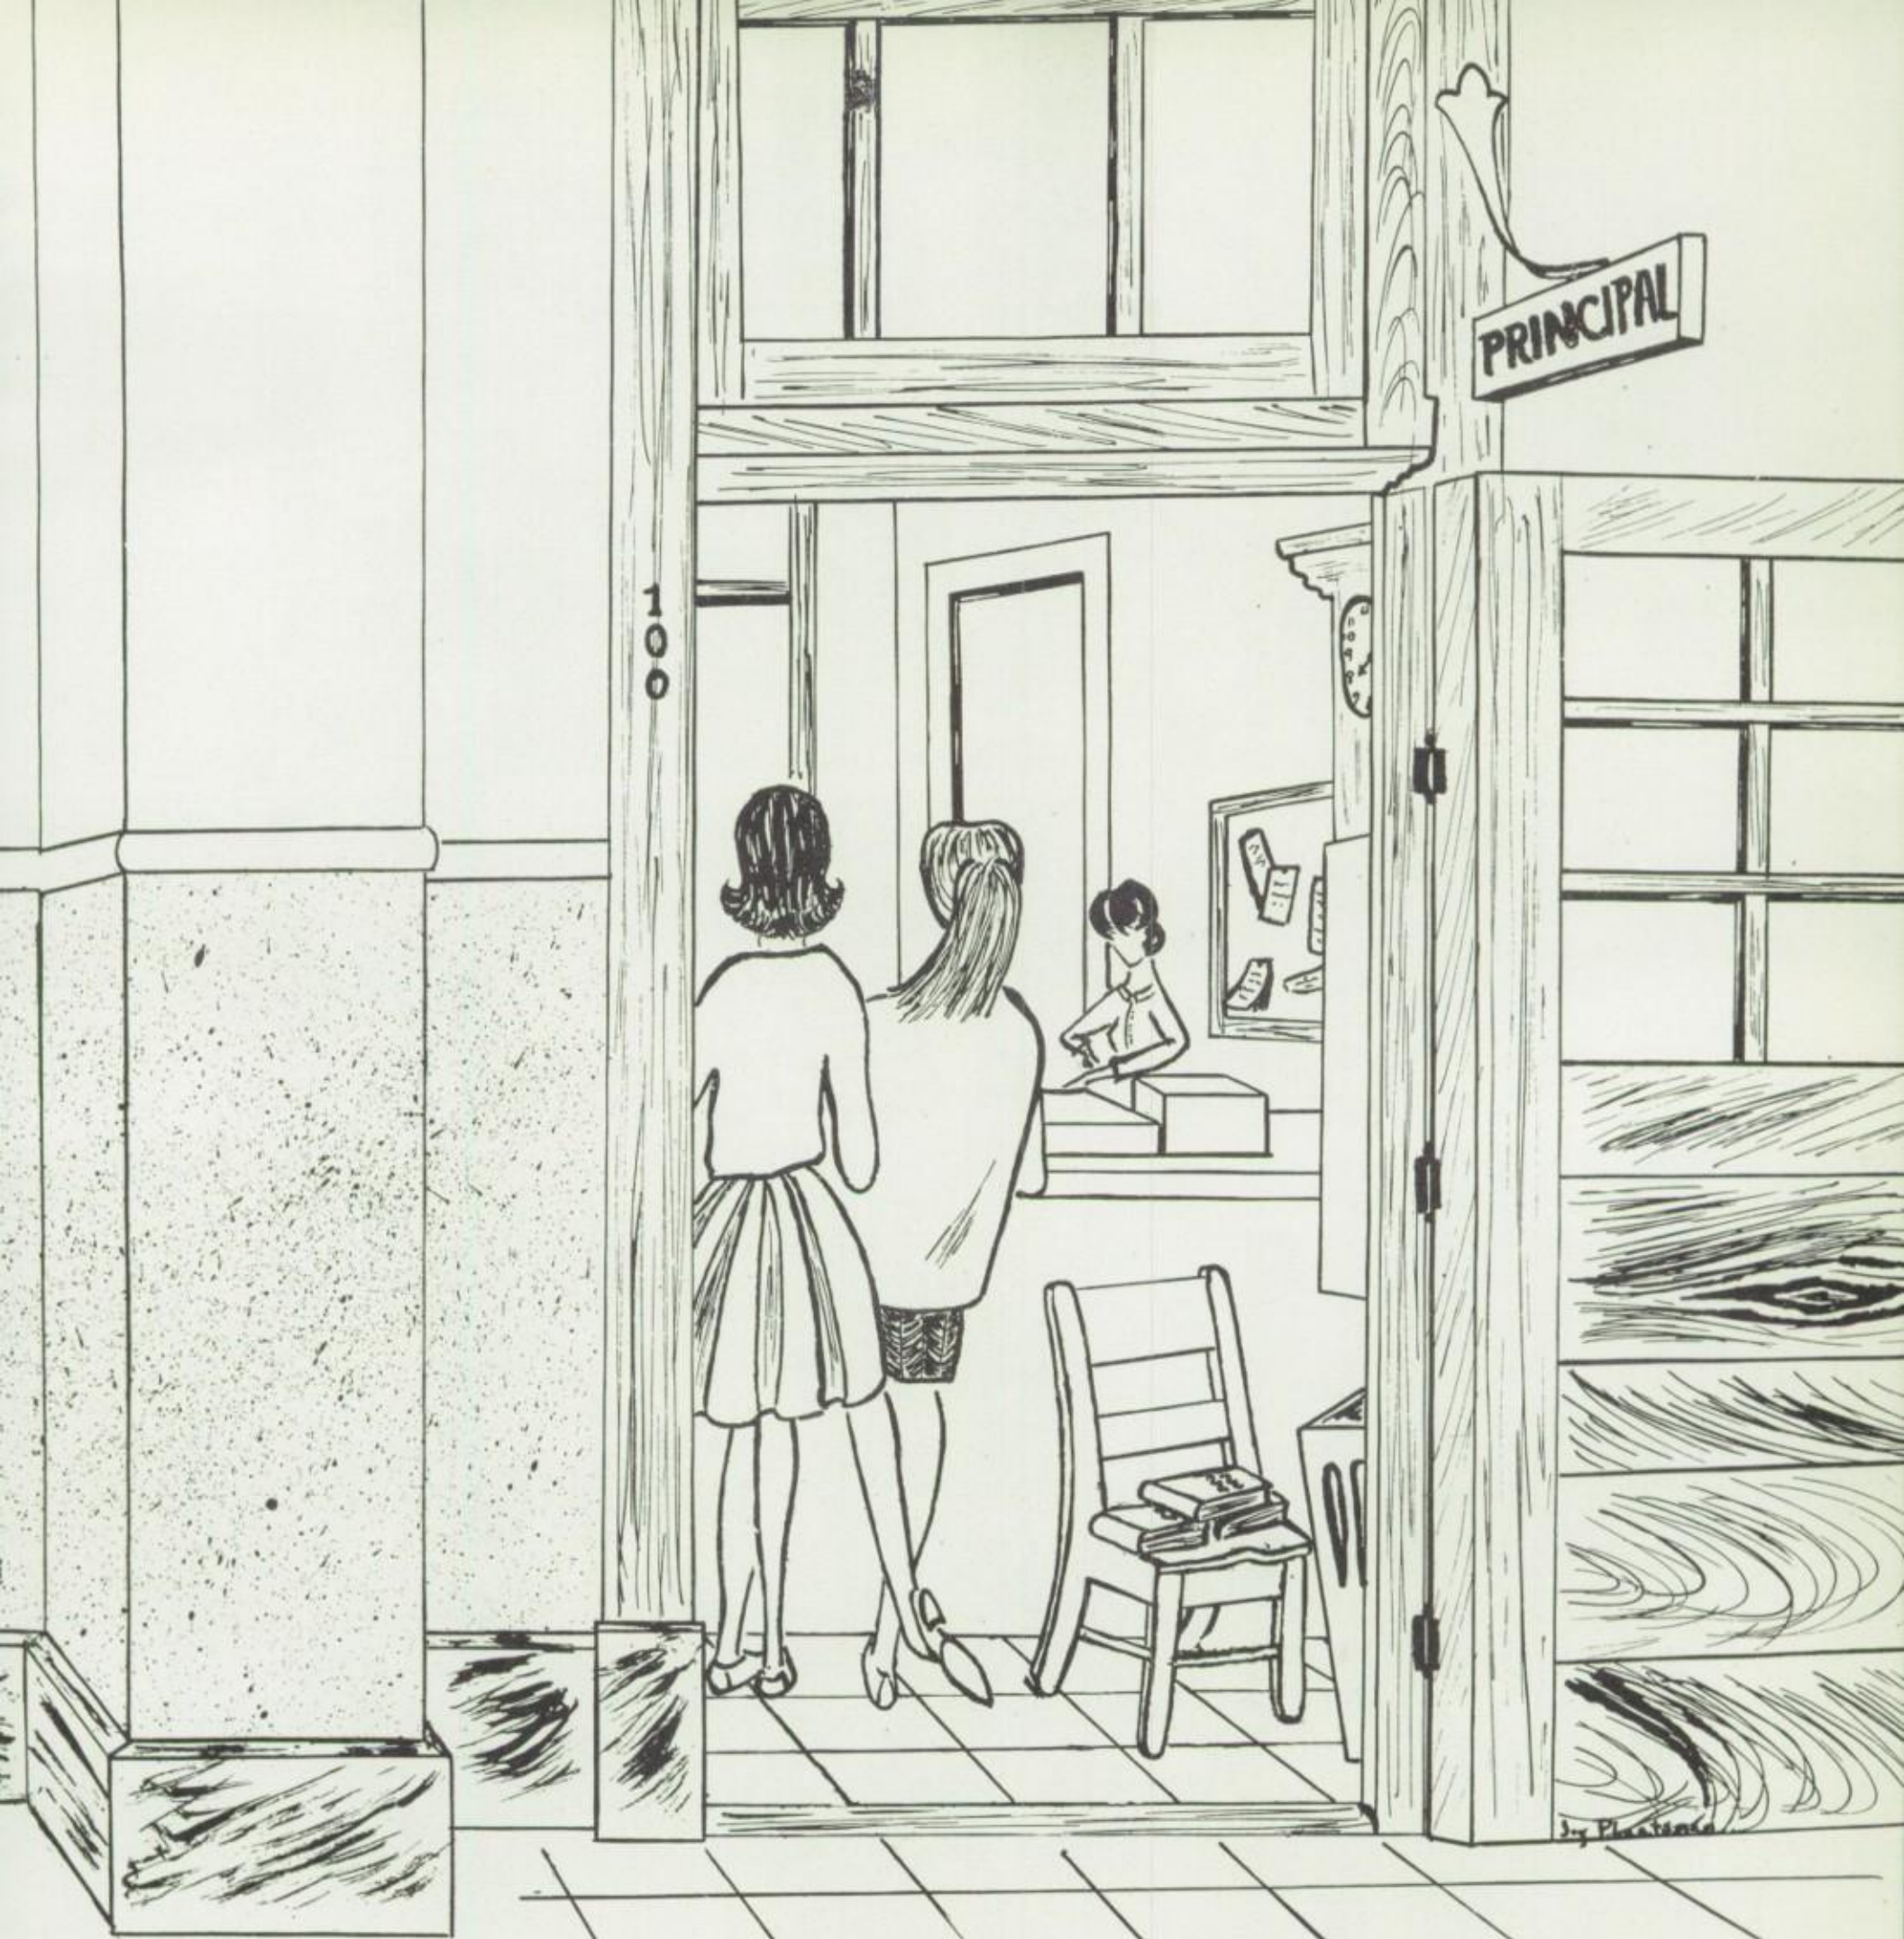

... And because you have taught us more than
mere mathematics,

It is with great pleasure that we, the Class of 1962,
dedicate our MAROON to you, Mrs. Marion Roosa.

But that's impossible! A flat spare tire?

"Encore!"

Fred bore most of the burden of DAME RUMOR.

Ten years from now we'll laugh at this.

There must be an easier way to cram.

"Speak into the microphone!"

A Year of Planning With the MAROON

The MAROON is a permanent record of the achievements and activities of the Senior Class. It reflects the ability and dedication of those who have completed their childhood and are now prepared to assume positions of responsibility in life. We who will graduate this year have had enjoyable times and memorable experiences. The yearbook is, in a sense, a mirror of our thoughts and our emotions.

Putting the yearbook together was in itself an enjoyable experience. The MAROON staff will undoubtedly remember it for a long time. We owe our success in no small way to Mr. Joseph K. Schwarz, who bravely tackled the job of advisor. Our sincere thanks go also to Mrs. Odell, whose art direction helped make this MAROON more interesting.

Little need be said in the way of introduction about our school paper "Dame Rumor"; its title and reputation are familiar to almost every student at K.H.S.

This year on November 3rd and 4th, at the 23rd annual Convention of the Empire State School Press Association, the paper was presented with nine awards including a first place in editorial writing, second place in headline writing, and a third place in school service. All in all the Syracuse Convention proved once again D.R. is one of the state's best school papers.

Other activities during the year included staff representation at the Herald Tribune Forum in March and the presentation of Quill and Scroll awards to outstanding student journalists.

Editor Snyder assists in putting together another prize winning edition.

Dame Rumor staff enjoy the smell of printer's ink as another edition is put to bed.

STUDENT COUNCIL

Student Council is the representative agency of the student body at K.H.S., each homeroom electing a representative and alternate who participate in the meetings. By democratic means, and in cooperation with the principal, the Student Council helps govern the school. In addition to these legislative duties, the council also engages in many projects intended to make school life as enjoyable and rewarding as possible. Among these are the annual bundle drive for the Save The Children Federation, the administration of a scholarship fund, and the publication of special Turkey-Day programs for the season's final football game.

Special congratulations are due this year to President John Lewis and his executive council who have, through much hard work and careful planning, provided K.H.S. with one of the most dynamic Student Councils ever.

The Webster-Haynes Debating Society serves a dual purpose in our school. It allows for participation in interscholastic debates, and it helps develop proficiency in public speaking and in methods of library research. The society's main activity is, of course, interscholastic debating. The members form teams which then argue both the negative and affirmative sides of a given question. The topic for debate this year was on federal aid to education. Our school was represented at tournaments held at Monticello and Jeffersonville.

In 1951 the Business Club was organized to bring together students in our commercial department and to teach them good business habits. The Business Club operates a machine in the lunchroom where supplies may be bought during the day. On April 5, 1962, the members of the club enjoyed a trip to New York City. In the spring the Business Club awards a sum of money to a graduating boy and girl who have maintained high averages in their commercial courses.

FOOTBALL

One of the most difficult jobs for any coach is to produce a team which wins consistently, year in and year out. He must juggle his players with an eye for both the future and the present. This is the problem which confronted our coaches this year. There were only four lettermen returning, and nobody, including the sports writers, gave much for our chances, for we had one of the toughest schedules a Kingston team has ever had. In addition, bad luck seemed to plague the team from the very beginning. John Duffner, our only returning All-DUSO player, was injured in a pre-season scrimmage, and did not see action until the Port Jervis game. Later in the season, Paul Natale, another first stringer, was also injured. We took these, along with other minor injuries, in stride, for there was nothing else to do.

Our first game, with Suffern High School, seemed to prove the sports writers correct. We could not get our offense moving, and only a tough defense held the game scoreless until the last fifty seconds of the game when they scored the only touchdown of the game to beat us 6-0.

We beat a tough Albany team 12-6 on the passing arm of quarterback John Falvey, and things began to look better. The only game on our schedule which we didn't play even was the White Plains game. One of the best teams in the state, they beat us 33-14.

Our first league game was with Port Jervis and after

completely outplaying them in the first half, we seemed to slump a little, and they came out on top 12-6. We next ventured to Schenectady to play a tough Mont Pleasant team. After leading for most of the game, we allowed them two touchdowns in the second half. The final score was 13-13. Poughkeepsie came next, and everyone agrees that we played our poorest game of the year there. Only because they had an average team did we win 26-24. Just as the Poughkeepsie game was our poorest, so the Middletown game was our best. Our defense, which had been better than average over the season, outdid itself. A run for a touchdown on a recovered fumble and a safety gave us nine points while they had two touchdowns for 14 points. With only minutes remaining, Kingston started a drive which only time could stop. With a first down and two yards to go for a touchdown, time ran out on us, and Middletown's record was unblemished, although it didn't seem so bright any more.

The Newburgh game was a hard-fought battle, with Kingston's offense coming to life, and lanky Glenn McLeod emerging as a defensive star. Running for three touchdowns with recovered fumbles, Glenn led the way to a 26-25 victory and an All-DUSO position for himself.

With a host of talented players coming back next year, including All-DUSO Jack Lewis, Kingston can be a championship-calibre club.

Mike Ferraro, "D.U.S.O. League Player of the Year," charged many of our games with excitement.

This season's basketball team compiled a won-lost record of 10-9; this, in itself, might suggest that our fans enjoyed little of the basketball excitement to which they had become accustomed. However, in retrospect, we see that this is far from true. All games, save three, were evenly played and fiercely contested, with the outcome often decided only in the final, hectic moments of play.

Although we played an interesting brand of ball, the most distinguishing feature of this year's team was its inconsistency. Time after time we would lose a seemingly secure lead because of erratic play. We would fight back, only to be denied again by another uncontrollable period of ineptness. This pattern of play proved very exciting to the fans, but distressing to our coach.

Coach John Gilligan's charges were led this season by flashy guard Mike Ferraro, voted the D.U.S.O. League Player of the Year by area scribes and announcers. Mike, as well as John Duffner, John Falvey, Mike Celuch, and Tony Erena, will graduate this year. Left with the task of restoring Kingston to its former position of glory are Ron Thomas, Paul Natale, Larry Marcus, and Pete Roberts.

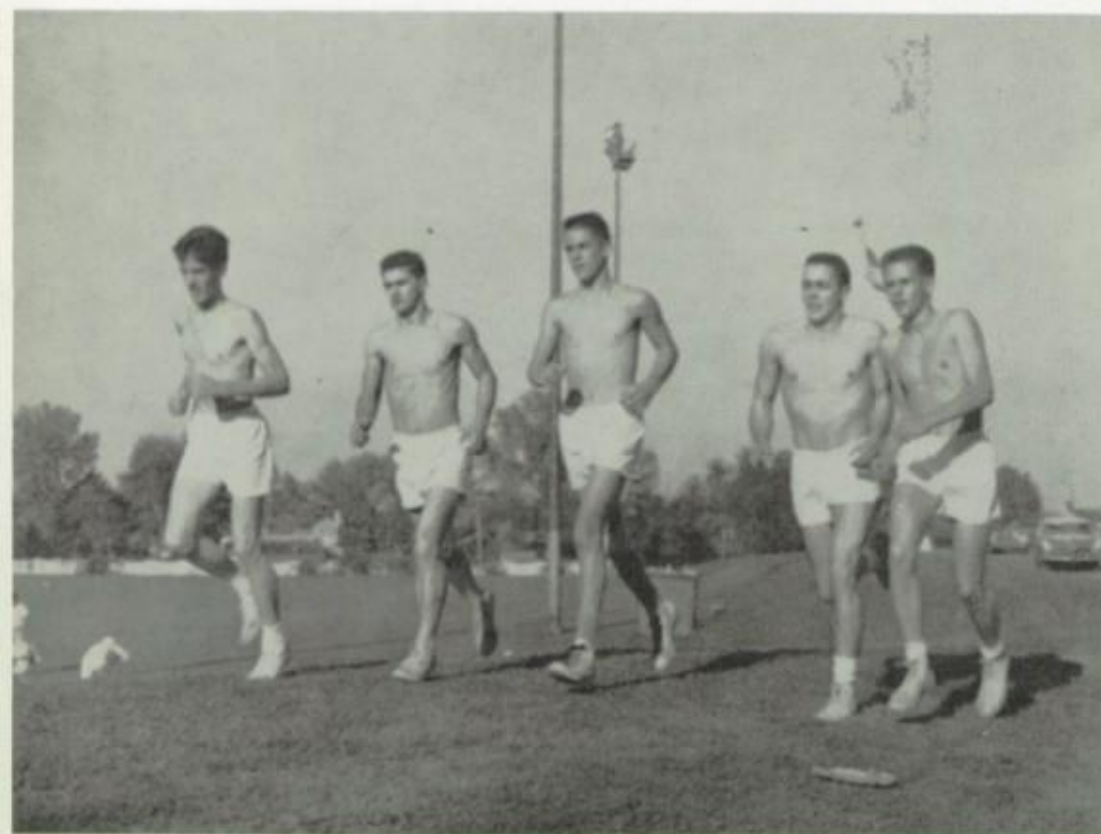

Paul Natale also contributed his share of excitement.

CROSS COUNTRY

A team workout with Lawrence, Fabiano, Ennis, Barr, and Cyr at Dietz Stadium.

Despite the loss of several lettermen from the 1961 squad, the KHS Harriers kept up their winning ways by extending their streak of undefeated dual meets to thirteen. Coach G. Warren Kias' thinclads were a powerful team mainly because of the depth of the squad.

After edging Newburgh (27-28), the Kiasmen, led by senior Bruce Eymann and Sophomore Ricky Cyr, went on to overpower Port Jervis (19-42) and Arlington (15-50). In the all important meet against Middletown, the Harriers nipped the 1960 D.U.S.O. and Section 9 champs (28-29) in a solid team effort. In finishing out their season the team beat Monticello (27-29) in a close meet.

In the Section 9 and D.U.S.O. meets all but Eymann, Cyr, and Chip Ennis seemed to have off days. Nevertheless, the Maroon and White finished a close third in the D.U.S.O., and fourth in the Section 9. Eymann and Ennis qualified for the state meet, while Cyr went as an alternate. The Harriers will feel the loss of present seniors, Capt. Joe Barr, Bruce Eymann, and Frank Fabiano. Returning next season will be lettermen Cyr, Ennis, Lawrence, and Goggin, and some other promising runners to carry the banner.

TRACK

Coach G. Warren Kias greeted the largest turnout ever with the beginning of the 1962 season. This included the return of twelve lettermen, with only Bob Sermier, Bill Tomaseski, John Kelly, and Howard Larsen graduating.

The sprints were well taken care of: Frank Fabiano, Tom Auringer, and Bob Kennedy returned to the team as experienced men. Longer distances were handled by Joe Barr, Richard Cyr, Bruce Eymann, and Larry LaGuardia. The field events were well taken care of by Phil McDonald, Bill Dickson, John Falvey, Glenn McLeod, and John Potter. All this spoke well for Kingston High as we looked forward to a pleasant spring with a winning track team.

The Varsity Cheerleaders help to promote good sportsmanship and school spirit at all varsity football and basketball games. They also performed at four pep rallies. In order to raise money for the Senior Class, the girls played a basketball game against the senior members of the football team. On March 28, the cheerleaders were among those recognized at the awards dinner given by the Mayor's Committee to honor all Kingston High School letter winners. The squad consists of eight regular members: Maja Egdorf, Susan Gersh, Doreen Kogon, Molly McGrath, Dot McMonagle, Judy Munson, Pat Parete, and Julie Paull. The three alternates were Barbara Ann Williams, Beverly Ann Perry, and Sue Van Voorhis.

THE SENIOR PLAY - "OLD DOC"

Under the able direction of Miss Marcella O'Bryan, the Senior Class of 1962 presented the delightful drama "Old Doc" to three audiences who found it both refreshing comedy and serious drama.

The entire action of the play took place in the living room of Old Doc's small town home. Fred Snyder gave a convincing performance of the rambunctious Old Doc. Rita Poom and Michael Drummond lent romantic interest to the play in the roles of Margaret Burns and Dr. Robert Hillary. Jan Van Heusen and Rhonaldia Luedtke added an invigorating homespun touch to the play as Pa and Ma Brown. The roles of Janet Martin and Dick Burns, two teenagers, were ably played by Gail Elias and Alan Theiss. Gretjen Anderson and Bruce Pech, as Dr. Edmond Brand and his daughter, Helen, projected sophisticated snobbery. Mike Boice smoothly handled the role of Mr. Hepple, "Old Doc's" lawyer. Susan Gersh, Shirley Fox, Colleen Mitchell, Patricia Woehlke, and Patricia Joy, as Mrs. Rossi, Mrs. Cronnin, Mrs. Mellon, Lois Warner, and Mary Selby, respectively, delighted us as friends and neighbors. The plot of the play concerned young Doc's indecision in taking his father's practice or staying in Boston with Dr. Brand. The climax occurred when Old Doc learned of his son's first choice and had a heart attack.

Our hearty thanks go to Miss O'Bryan and the entire cast for a delightful production.
